

leader(ship)

some notes

leaders come in all shapes and sizes and colours and sexes

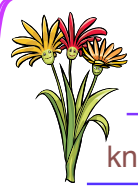

there's no fixed formula to spot them

have their personal ambition under control

direct makes things seem simple

trustworthy

has humility.

persistent

knows thank you

clear goals

rules never end in themselves

creates fun place to work

allows freedom

active listener

intuitive

Is visible or available

Listen.
In every office you hear the threads of love and joy and fear and guilt, the cries for celebration and reassurance, and somehow you know that connecting those threads is what you are supposed to do and business takes care of itself.

James Autry

A good leader sees the best in his people

A good leader is decisive

combines qualitative with quantitative

current figures at fingertips

knowledge of economics

as **entrepreneur** encourages

more leadership, less management; fuse soloist into team; no top heavy bureaucracy; fast, flexible small units

creativity

opportunities

criticism & dissent

entrepreneurship

creates organization around people

creates balance between work & private

create conditions: right people in right place; create organization to help people

always fair and has a sense of humor

keeps people informed

facts & figures

no gossip
